## Services and the State of Idaho

The importance of the service sector to the state of Idaho is illustrated vividly by recently-released data from the US Bureau of the Census. Census data show that the services sector employs 77% of the Idaho workforce, in industries such as wholesale and retail trade, transportation & warehousing, finance & insurance, real estate, renting, & leasing, professional services, and many others. Services account for 70% of the state's \$12 billion payroll, and represent 64% of the \$59 billion in sales from the state's business establishments.
