## Services and the State of Kentucky

The importance of the service sector to the state of Kentucky is illustrated vividly by recently-released data from the US Bureau of the Census. Census data show that the services sector employs 73% of the Kentucky workforce, in industries such as wholesale and retail trade, transportation & warehousing, finance & insurance, real estate, renting, & leasing, professional services, and many others. Services account for 65% of the state's \$41 billion payroll, and represent 56% of the \$244 billion in sales from the state's business establishments.
