## Services and the State of Montana

The importance of the service sector to the state of Montana is illustrated vividly by recently-released data from the US Bureau of the Census. Census data show that the services sector employs 83% of the Montana workforce, in industries such as wholesale and retail trade, transportation & warehousing, finance & insurance, real estate, renting, & leasing, professional services, and many others. Services account for 76% of the state's \$8billion payroll, and represent 74% of the \$37 billion in sales from the state's business establishments.
