## Services and the State of Ohio

The importance of the service sector to the state of Ohio is illustrated vividly by recently-released data from the US Bureau of the Census. Census data show that the services sector employs 72% of the Ohio workforce, in industries such as wholesale and retail trade, transportation & warehousing, finance & insurance, real estate, renting, & leasing, professional services, and many others. Services account for 67% of the state's \$150 billion payroll, and represent 59% of the \$721 billion in sales from the state's business establishments.
